

**Meat CSA**

Zekiah Farms is pleased to be able to present you with several options for the meat CSA (Community Supported Agriculture). By purchasing a share in our farm, you the consumer and we the farmer create a relationship that builds sustainable agriculture by ensuring we have a market for our meats and you have plates full of very fresh, very healthy, and very humane dinners for months to come.

The CSA season will run quarterly (Jan-Mar, Apr-June, July-Sept., and Oct – Dec). Members will be able to pick up their share at the farm on the 3<sup>rd</sup> Sunday of the month from 4-5 pm. All shares will come pre-packaged for timesaving convenience during pick-up.

Zekiah Farms naturally raised meats are hormone, antibiotic, and steroid free. Our animals are raised on a natural diet of pasture, hay, and grain to meet their nutritional needs with nothing artificial ever added.

Meats are flash frozen and vacuum-sealed to maintain freshness and flavor. Our beef is dry-aged for 14-21 days for flavor and tenderness.

Zekiah Farms’ choice of beef, pork, and lamb; receiving a mix of steaks, ground, roast, sausage. Livestock is seasonal, especially goat and lambs, which does effect meat availability.

Add **Chicken(s)** to a Meat Share (best value): chickens are free range and processed whole and frozen. Chicken shares only available coupled with a meat share. Individual chickens also for sale at farm.
